

TFAS SINGING & DANCE COMPETITION RESULTS

TFAS conducted annual Deepavali competitions for Singing and Dances on October 11, 2009 in the Sri Venkateswara Temple Auditorium, Bridgewater to promote cultural arts in youth. There was over-whelming response from local youth for participation in these competitions. The competitions were conducted by TFAS under the supervision of Manju Bhargava with the help of Girija Kolluri and other executive committee members. We thank the judges who volunteered their time and did a spectacular job in giving unbiased judgment on the competitions. The results were tabulated independently by a member of EC who did not follow the competitions. TFAS congratulates all the participants for their gallant efforts and appreciate the dance teachers and music teachers for their commitment in noble profession of teaching. In our view all the participants are winners though only few get awards for top performances. Children should not be disappointed if they did not win. Instead, they should learn with more enthusiasm and effort to become top performers in the next competitions. The basis for number of prizes is given below.

No. of Contestants	2-3	4-6	7-10	11-20	Above 20
